

Tuesday, July 7th, 2026 (Day 1)

Parallel 01

Topic Catalytic conversion & valorization of biomass & renewable sources
Moderator Prof. Yuichi Kamiya (Hokkaido University)

- PPT Submission: We kindly request that you upload your presentation files (PPT) to the following [link](https://drive.google.com/drive/folders/1ysN63rrHrIMZxnE3_1oe0EPJ_PPRoFGGe?usp=drive_link)
[https://drive.google.com/drive/folders/1ysN63rrHrIMZxnE3_1oe0EPJ_PPRoFGGe?usp=drive link](https://drive.google.com/drive/folders/1ysN63rrHrIMZxnE3_1oe0EPJ_PPRoFGGe?usp=drive_link).
Please ensure your file is named using the following format: Name_Day_Session_Affiliation (Example: Alex_Day 1_Parallel 1_California University). Please be advised that the paper presentation is scheduled for 8 minutes, with an additional 7 minutes allocated for discussion per person.

Parallel 02

Topic Heterogeneous catalysis; Catalysis for organic synthesis in pharmaceutical & fine chemicals.
Moderator Prof. Rodiansono (Universitas Lambung Mangkurat)

- PPT Submission: We kindly request that you upload your presentation files (PPT) to the following link
[https://drive.google.com/drive/folders/1NVYdOWrNM74eQJ70LBE4qb2VDMZ9ejjT?usp=drive link](https://drive.google.com/drive/folders/1NVYdOWrNM74eQJ70LBE4qb2VDMZ9ejjT?usp=drive_link)
Please ensure your file is named using the following format: Name_Day_Session_Affiliation (Example: Alex_Day 1_Parallel 1_California University). Please be advised that the paper presentation is scheduled for 8 minutes, with an additional 7 minutes allocated for discussion per person.

Parallel 03

Topic Photocatalysis
Moderator Dr. Osi Arutanti (BRIN)

- PPT Submission: We kindly request that you upload your presentation files (PPT) to the following link
https://drive.google.com/drive/folders/1hKcgIWbXz_F3_e3flogWLu1_I_NpTqXJ?usp=drive_link
Please ensure your file is named using the following format: Name_Day_Session_Affiliation (Example: Alex_Day 1_Parallel 1_California University). Please be advised that the paper presentation is scheduled for 8 minutes, with an additional 7 minutes allocated for discussion per person.

Parallel 04

Topic Electrocatalysis and Photoelectrocatalysis
Moderator TBA

- PPT Submission: We kindly request that you upload your presentation files (PPT) to the following link
https://drive.google.com/drive/folders/1elpFE90hdBey5TNLHDSDngxDcgyNJRqb?usp=drive_link
Please ensure your file is named using the following format: Name_Day_Session_Affiliation (Example: Alex_Day 1_Parallel 1_California University). Please be advised that the paper presentation is scheduled for 8 minutes, with an additional 7 minutes allocated for discussion per person.

Wednesday, July 8th, 2026 (Day 2)

Parallel 01

Topic Heterogenous catalyst
Moderator Dr. Indri B. Adilina (BRIN)

- PPT Submission: We kindly request that you upload your presentation files (PPT) to the following link
https://drive.google.com/drive/folders/1rfw2YHA_cvRYUB_i1sGEqwDqxN4LE-G?usp=drive_link
Please ensure your file is named using the following format: Name_Day_Session_Affiliation (Example: Alex_Day 1_Parallel 1_California University). Please be advised that the paper presentation is scheduled for 8 minutes, with an additional 7 minutes allocated for discussion per person.

Parallel 02

Topic Catalysis for environmental protection and waste recycling
Moderator Dr. Fabio Dalanta (BRIN)

- PPT Submission: We kindly request that you upload your presentation files (PPT) to the following link
https://drive.google.com/drive/folders/13iyxZdRvNjW_5W8rkdyv814fZpTnXynA?usp=drive_link
Please ensure your file is named using the following format: Name_Day_Session_Affiliation (Example: Alex_Day 1_Parallel 1_California University). Please be advised that the paper presentation is scheduled for 8 minutes, with an additional 7 minutes allocated for discussion per person.

Parallel 03

Topic Chemical reaction engineering & technology; Catalysis for natural gases, coals, crude oils, and petrochemicals.
Moderator Dr. Anatta W. Budiman (Universitas Sebelas Maret)

- PPT Submission: We kindly request that you upload your presentation files (PPT) to the following link
https://drive.google.com/drive/folders/1cqVHERLeZtt5Dj8JiX4dnmhbaUC7LpLs?usp=drive_link
Please ensure your file is named using the following format: Name_Day_Session_Affiliation (Example: Alex_Day 1_Parallel 1_California University). Please be advised that the paper presentation is scheduled for 8 minutes, with an additional 7 minutes allocated for discussion per person.

Parallel 04

Topic Homogeneous catalysis; Bio, enzymatic, and organo catalysis.

Moderator Prof. Witri Wahyu L. (Universitas Diponegoro)

- PPT Submission: We kindly request that you upload your presentation files (PPT) to the following link
https://drive.google.com/drive/folders/1CE9ywB0_KYIpurwv6pMEDdF4OoUKkU6Q?usp=drive_link
Please ensure your file is named using the following format: Name_Day_Session_Affiliation (Example: Alex_Day 1_Parallel 1_California University). Please be advised that the paper presentation is scheduled for 8 minutes, with an additional 7 minutes allocated for discussion per person.
